AUDITOR'S REPORT

Richmond, NH 03470
February 1989

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

I herewith submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1988. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent Town records.

SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

FINANCIAL STATEMENTS

1. Comparative Balance Sheets show that assets exceed liabilities by the sum of $242,781.10 for the year ended December 31, 1988. There was a net surplus of $17,987.69 in 1987.
2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations amounting to $18,544.11. In 1987 there was $10,797.00 in unexpended balances.
3. The Statement of Estimated and Actual Revenues shows a net revenue surplus of $243,768.91. The 1987 surplus amounted to $194,212.13.
4. The Budget Summary indicates a net Budget surplus of $200,997.12.
5. Accounts of the Town Treasurer, Town Clerk, Tax Collector, the Fire Department Equipment Fund have been summarized and tabulated.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursement and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All Town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ending December 31, 1988. In my opinion, the attached balance sheets and other statements of sources of revenue and expenditures truly represent the financial position of the Town of Richmond for this period.

THANKS

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records.

Respectfully submitted
Ruth Flanders
Auditor
Town of Richmond, NH

CEMETERY TRUSTEE'S REPORT

This has been a year of transition. Sandy Moyer resigned as a trustee due to her moving from the area. Lisa Seelen was appointed to serve until town meeting, but she will not be continuing beyond that point. So we can expect another new face, and some new ideas in the year ahead. Town Meeting was kind enough to approve our setting aside four grave sites for landscaping purposes. We plan to utilize them this spring. Additional work this year has included tree trimming and the usual mowing and trimming. There were two burials.

SELECTMEN'S REPORT

Year 1988 again brought a sustained growth to the Town of Richmond. We issued 53 Building Permits of which 17 were for new homes and 3 mobile homes. The balance were for various additions and garages.

Although we are operating under difficult conditions due to our evacuation from our Town Hall, we have found by increasing our availability to the town, and increasing our secretary's hours has been beneficial to all.

The Veteran's Hall is open Wednesday afternoons from 1:00 p.m. to 4:00 p.m. and Friday mornings from 9:00 p.m. to 12:00 p.m. The Selectmen meet every Monday at 7:30 p.m. except on legal and state holidays. Since we have put some of our records on computer we have been able to expidite some of our statistic reports. A special thanks to Mary and Dana Taylor for their unselfish help in putting this on line.

The board would like to thank everyone who have been so generous with their time to serve on town boards and committees. A special thanks to you, our secretary, Town Clerk, Tax Collector, and Treasurer for all your helpful input.

FIRE DEPARTMENT REPORT

I am pleased to report that this year's major project was accomplished with the rebuilding of the pump on 25-M2.

During the year 1988 the fire department answered thirty-four calls. They consisted of one structure fire, four chimney fires, six wires down and burning, seventeen miscellaneous, two direct calls to fire for mutual aid, zero cover assignments to other towns, two grass and brush fires, and two vehicles and other accidents.

The structure fire was at the former Wakefield Inn now owned by Charles F. Hyrnewsky. The fire fighters from Richmond, Meadowood, Swanzey Center, East Swanzey, and Winchester who covered our station did an excellent job of saving the building and keeping the loss to a minimum. The fire was difficult to bring under control as the fire was in the

partitions and the smoke was very heavy throughout. The fire spread from the first floor to the third floor. Firefighters using Scott Air Paks soon had the fire under control. I would like to congratulate all the fire officers and firefighters for a job well done.

The new numbering system installed last year has helped the departmet in answering calls with a quicker response time.

During the year of 1988, the Richmond Fire Department had eight members attend the Meadowood Fire School. Six members went to Winchester for three training sessions of L.P. Fires and The Control of Leaks and Accident Scene. Then four members attended a class on Tanker Shuttle and Water Supply in East Swanzey for a two day session. This drill was conducted by all three Swanzey companies. Seven members attended a one night session conducted by Dave Dean, C.D. Official.

The department has increased by five members, which brings the roster to six officers and nineteen members. We are always in need of more personnel. If you are interested in helping your town, please stop in and see us any Sunday morning or call any officer in the fire department.

We are in the process of having the tires on 25-M3 replaced and will have completed this by the end of the 1988 year.

The department would like to thank all of the town officials for their help during the year. We would also like to take this opportunity to thank all of the people of Richmond for their support in all of our fund raisers, but most of all for helping us to keep our fires low by being careful, checking smoke detectors and keeping your chimney clean.

Last but not least, we would like to thank the officers and men of the Richmond Fire Department for their help and support during 1988. Thanks for a job well done.

Sincerely,
Leland Robbins, Chief
Frank P. D'Orio, Deputy Chief

RESCUE SQUAD REPORT

The past year has been a quiet one. The squad responded to twenty-nine alarms. These included eleven home calls for medical emergencies, five motor vehicle accidents, five fire scenes, and eight mutual aid reponses to assist Winchester Ambulance. The new rescue truck, approved by Town Meeting, was placed in service at mid-year. We are very appreciative of the Town's support in this area.

A series of classes to train new members was held throughout the fall, but we were very disappointed in the response. We did bring in two new members, but these were not enough to offset the three we lost during the year. If anyone is interested, we would love to have them contact us.

Respectfully submitted,
Dick Webber, Captain

POLICE DEPARTMENT REPORT

The 1988 summary of activities listed in this report speaks for itself. Your police department has had by far the most active year on record. 290 incidents involving 205 days of activity for a part-time police department has had its toll on some of our police officers. All of whom have full time jobs elsewhere. As a direct result of this I regret to report that we have lost two of our fine officers. John Hillock and Joe Davis. It is not only the heavy work load this year but the continuous training and certification required to properly perform the duties of a police officer. Even though I do grumble from time to time about the added burdon of all this training placed upon the part-time police officer I must admit it has made the remaining officers, myself included, much more proficient in the performance of our duty to serve the Town of Richmond. I would like to thank our officers for the dedication they have shown throughout this very busy year. In addition, thanks go out to the police departments of Winchester, Fitzwilliam, and Swanzey for their assistance throughout the year and to Joe Davis and his family for the use of their gravel pit for our firearms qualifications.

Once again we can not stress enough the importance of citizen co-operation with your police department in the performance of our duties. Without your help many of the crimes could not be solved and most important, prevented. Thank you all for your continued support.

Please remember to license your dog before May 1st. After May 1st, by law we must pick up your dog and deliver it to the Humane Society if it has not been licensed. This is costly to the dog owner who must pay a fine and pound fees and to the tax payers who pay the police officers to pick up the dog.

We are pleased to announce the appointment of our newest officer, Susan Pearsall. Sue has passed all of her qualifications and is now a certified police officer.

LIBRARIAN'S REPORT

I am pleased to report that the "Richmond Public Library Read-a-Thon" was again a huge success this summer. Fifty-one children signed up and awards and certificates were given to all participants.

Over the past few months the library has sponsered two story hours and one "mask making" session. We had a wonderful turnout on each occasion. We are planning to continue the story hour every month or so.

Richmond has experienced a lot of new growth over the last couple of years, we are seeing this at the library as well.

Our hours have changed somewhat to accommodate our patrons. We are open Tuesdays from 2:00-8:00 and on Saturdays from 1:00-5:00.

Our selection of books is up to date with the current best seller list, including fiction and non-fiction. We recently accessioned several new Art, Audobon and Geography books. We are continually adding new reference books for youth through adult and we try to keep current with our schools "Reading List".

Please come in and visit our library. I think you'll be pleasantly surprised at the selection of new magazines, cassette books for our young readers and our new video tapes. I hope to add some new educational and reference videos in the near future.

Thank you all for your support, I look forward to seeing you.

PLANNING BOARD REPORT

The Planning Board approved twelve subdivisons, creating thirty-eight lots on seven roads in town, three boundry line adjustments, and one site plan review.

The Board rewrote the subdivision regulations in 1988 and are proceeding with drafting and updating the zoning ordinances to present to the town at Town Meeting this March or later. We are updating the Capital Improvements Plan and hope to have that for Town Meeting.

The Board is monitoring the upgrading of the Greenwoods Road from Route 32 to the Tully Brook crossing as part of two conditionally approved subdivisions (one is still pending).

The Board gave conditional approval to a site plan review application of the Blessed Sacrament Community, Inc. for the development of a monastery, church "complex" on Martin Road. The Board also conditionally approved the creation of 8 building lots on the Greenwoods Road (off Rte. 119) for the BSC Inc.

We are functioning out of the Civil Defense Building. Space is at a premium. All old files and the map drawer are still in the old Town Hall. We now have a mailing address: 15 Winchester Road. We had full participation of elected and appointed members; we tried to enlist alternates with limited success. If any Town's people are interested in Planning Board business, contact the Board; an alternate slot is usually open. We don't anticipate litigation but you never know.

There are 3 pending subdivision applications that would create 16 new lots if approved as submitted as of this writing.

We intended to update the master plan this year. We have received an estimate of as much as $5,000.00 to do this through the Southwest Regional Planning Commission. While the master plan did not anticipate the Richmond of today, the Board feels that it's rewriting can wait a year or two. The state projects that our population will drop by 1990 to 654; the Board disagrees with this projection and "foresees" the town's population racing towards (and very possibly surpassing) 1,000 by 1990. Richmond is a residential town with a very little commercial or business tax base. Our annual budget is comprised of (approximately): 66% school, 21% town, 13% county. As the school age population in town rises, so do our taxes. While this may be a simplistic analysis, the tax increases of the last two years point to the importance of planning if Richmond is to go gracefully into the 21st century.

ROAD AGENT'S REPORT

This past summer was well spent on getting the manual labor done of the town roads. Brush was cut and chipped on Morgan, Monument, Mill, Sprague and Rabbit Hollow Roads, along with a part of Martin, Whipple Hill and Lang Roads. Aside from the regular routine work, such as cleaning culverts, ditching water from storm damage and beavers, the roads were graded and raked. Patching and sealing was also done. The Whipple Hill Road was widened from Pudding Hill to the Warwick, Mass. state line. Extensive work has been done on the southern end of the Fish Hatchery Road by widening, ditching and shimming with hot top and sealing. A thousand (1000) yards of crushed gravel was put on the upper end of Whipple Hill Road and a large culvert was purchased to replace the wooden bridge on Rabbit Hollow Road. A considerable amount of stone work was done building up headers on culverts on the Fish Hatchery, Mill and Bullock Roads. Wing walls have been restoned underneath the Whipple Hill Bridge. Signs and signposts were installed and replaced, some two or three times! A new chainsaw was also purchased.

I want to thank Peter Renzleman of Tree Grower for cutting down four (4) dead oak trees on Whipple Hill Road. Also want to thank Gary Carle for working with me through the summer months (and they were hot ones!). I want to thank the townspeople for their compliments and for letting me know of any road problems that need my attention.

Respectfully submitted,
Leonard R. Davis

RECREATION COMMITTEE REPORT

Our busy year began with an Easter Egg Hunt in the ball field behind the Fire Station, which was well attended by Richmond children.

In May, the annual Pot Luck Supper in honor of our Senior Citizens was held at the Veterans' Hall. Lively musical entertainment was provided by Richmond's own Pete and Shirley Taylor. Table prizes of potted dahlia plants were awarded to Seniors. The grand door prize of a gift certificate to Nick's Restaurant was won by Mary Beers. This is an annual event to which all Town residents are invited. The food is always excellent and abundant, and it's a wonderful opportunity to visit with neighbors and make new acquaintances. We hope you can join this spring.

Summer swimming lessons were a great success. Many thanks once again to Cheshire County YMCA, Bill Allen, Scott Allen, and Ken Klatka and the entire Camp Takodah Waterfront Staff for their dedication to our children. Our appreciation also goes out to the parents who volunteered to assist in the water.

Richmond Day Camp was attended by approximately 45 children. Activities included basketmaking, taught by Pam Goodell, hiking, swimming, games, stories and songs. Our thanks to all the Councelors and Volunteers for their outstanding efforts and also to the campers for their enthusiasm.

The Labor Day Parade was not a wash-out despite the efforts of Mother Nature. Die-hard paraders from Shir-Roy Campground (including a contingent of California Raisins), and the Richmond Community Church, as well as many pieces of fire and rescue apparatus from area towns, braved the deluge to participate. We extend our appreciation to all.

The annual Children's Halloween Party on Halloween Night was enjoyed by an enthusiastic crowd of ghoulies and goblins of all ages.

Our year ended with a Christmas Party and Santa's Workshop. The children created their own beautiful holiday centerpeices, each one a work of art. Refreshments were served and the highlight of the event was a visit from Santa, bearing gifts and candy canes.

Look for posters at the library and Four Corners Store announcing upcoming events, or call a Recreation Committee Member for information. In June, we expect to mail a schedule of events to each household in Richmond, which includes the registration form for swimming lessons and Day Camp.

We encourage input from the community regarding the programs offered at present as well as any future events you would like to see happen. If you have a special talent or skill that you would like to share, please contact a committee member. If you are interested in serving on the Recreation Committee, please contact the Selectmen.

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All Causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the reponsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practice Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

CONSERVATION COMMISSION REPORT

During 1988 your Conservation Commission has met regularly and worked productively in several areas.

The Commission is pleased to take this opportunity to announce the establishment of the Harry J. Bennett Memorial Fund. This fund is in honor of the Commission's founding member and first chairman. Harry was a long-serving force for sound environmental practices at county and state levels, and a continuing advocate for conservation education. It is entirely fitting, therefore, that the interest from the fund will be expended "to promote within the Town of Richmond a greater appreciation and understanding of the need for conservation of New Hampshire's natural resources...Such promotion (may) include...provision of library materials, scholarships or tuition assistance for Richmond residents pursuing studies in conservation or resource management, or the sponsorship of local education programs..."

One of the uses of the fund will be to sponser one or more young persons from Richmond to attend the Youth Conservation Camp run by the Society for the Protection of New Hampshire Forests. Participation in this camp can be an important introduction to understanding and appreciation of the natural world. Applicants (male or female) must have completed the eighth grade and be between 13 and 18 years of age. Anyone interested in applying should contact any member of the Commission before May first.

Another major accomplishment was the establishment of the Richmond Conservation Task Force (see separate Task Force report).

In February the Commission reluctantly accepted the resignation of Stewart James. In recognition of his thirteen years of service as a commissioner, Mr. James was named an Honorary Life Member of the Commission.

Later that month the Selectmen, acting upon the Commission's unanimous vote, appointed Augustus Merwin to fill the vacancy. Commissioner Stanley Bartram agreed to take over as treasurer from Mr. James.

In April, Commissioners Bartram and Calabro attended an environmental conference held at Tufts University.

At the commissions invitation, Ms Mary E Dowse, Assistant State Geologist, participated in a field investigation of the Harris Soapstone Quarry on Parker Hill. This quarry, and adjacent deposits, has been established as a mineralogical site of considerable interest. The quarry has been visited by geologists from around the world, and has been the subject

of more that twenty scientific papers. In the coming year the commission will seek to establish permanent protection for this important site.

At the close of the year, the commission had established a closer working relationship with the Richmond Planning Board. It is hoped that this closer cooperation will help insure better protection for the Town's natural resources as the pressures of an increasing population continue.

Respectfully submitted,
Norman E. Tandy

CONSERVATION TASK FORCE REPORT

The Richmond Conservation Task Force was established this year to meet the requirements of the Land Conservation Investment Program (LCIP). By statute (RSA 221-A) the General Court mandated that the LCIP would administer the selection and funding of land to be protected by the Trust for New Hampshire Lands. The Selectmen appointed the five members of the Conservation Committee, plus Edward Martin, Augustus Merwin, Henry Randall, and Joseph Thibodeau to seve on the Task Force.

At the Task Force's first meeting, Augutus Merwin was elected as chairman and Norman Tandy volunteered to serve as secretary.

One of the group's first priorities was to place a warrant article before the Town Meeting to enable the Task Force to accept private donations of land of money, and to authorize the selectmen to apply for and accept state matching funds under the Land Conservation Investment Program. A second article was placed to allow the Conservation Commission to expend unappropriated funds for the purchase of land or easements, or to defray associated costs. Both articles were passed by the Town Meeting without comment or dissenting vote.

Later in the year, Conservation Comissioner Stewart James resigned. He was replaced on the Commission by Augustus Merwin, with Rae Carrier being appointed to fill the Task Force vacancy caused by Mr. Merwin's move.

The Task Force's most immediate goal was to implement the wishes of Jennie B. Bennett and her husband, the late Harry J. Bennett, in establishing a protective easement for "Bennett's Gorge." The gorge occupies that part of Brickyard Brook between Route #119 and the Old Turnpike Road. Cascading down over a series of ledges and boulders, the brook forms alternating pools and waterfalls, all within a dense cover of mixed hardwoods and conifers.

In a well-attended public ceremony at the Town Library on August 25th, Mrs. Bennett and members of the Task Force formally signed a conservation easement. This legal document, which becomes an official part of the property's deed, extends permanent protection to the site, binding upon all future owners. Title to the land remains with Mrs. Bennett and subsequent owners. The conservation easement itself is deeded to the Town of Richmond, with the Conservation Commission charged with overseeing and enforcing its provisions.

We anticipate that the fine example of Mrs. Bennett's concern for the future health of the town's natural environment will stimulate similar thoughtful provisions by others.

At the end of the year, the Task Force continues negotiations with several other property owners. We strongly encourage anyone wishing to explore the many options available for permanent protection of the aesthetic and ecological values of their land to contact any member of the Conservation Task Force.

Respectfully submitted,
Norman E. Tandy

RICHMOND EMERGENCY MANAGEMENT REPORT

Richmond's Emergency Management Department (C.D.), like other offices in town, experienced a mixed year of successes. Work on the C.D. building came to an abrupt halt when "new" police needs were presented to the Selectmen. The proposed bathroom was converted to an evidence room and the furnace room became a youth interrogation room. Additionally the police constructed a new wall to secure themselves from the meeting/training room. Along with other imposed modifications, I feel that the town lost a lot of their capability for the building to function in a true emergency. Additionally, the town seems to have lost a facility that served as a focal point for other town agency meeting and training needs. It is hoped that with the new building proposals, this diffucult situation can be alleviated and the C.D. building can return to its designed function.

Apart from the building difficulties, Emergency Management with State assistance, held a radiological training workshop for fire/rescue personnel. The town once again participated in the annual test for Vermont Yankee emergency notification. Possibly the most significant achievement was the writing of a Hazardous Material Emergency

Response Plan for the town through a coordinated effort with fire/rescue. Emergency Management purchased both safety equipment and protective clothing for fire/rescue to deal with minor hazardous material accidents. Additionally, budget was expended to purchase A.V. equipment to supplement the training of emergency agencies. Lastly, late in the fall a septic line was installed near the back of the C.D. building. Hopfully in the near future a lavatory can be installed and clean up landscaping can be completed.

HOME HEALTH CARE & COMMUNITY SERVICES

In 1988, Home Health Care and Community Services continued to provide home care and community services to the residents of Richmond. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1988. The projection is based on actual services provided from January through September 1988 and an estimate of usage during October, November and December.

SERVICE REPORT

Services Offered	Services Provided	Partially or Totally By The Town
Nursing	28 Visits	25 Visits
Physical Therapy	4 Visits	4 Visits
Home Health Aide	1 Visit	1 Visit
Nutritionist	1 Visit	1 Visit

Total unduplicated residents served: 13

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1988 with all funding sources is projected to be $2,083.00

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town. In 1988, town support is projected to be $1,574.00

We recommend an appropriation of $3,000.00 to continue home care services at the current level.

Thank you for your consideration.
